Tour Groups

Coins from some of the tours Fort McKavett has brought through this year. These are from the Staff Officers of the 215th Support Battalion and the NCO's of the 115th Forward Support Battalion of the 1st Cavalry Division. Steve Drapier of Fort Hood brought these groups out for background information on their units. We give guided tours of the Fort and Quarters to these and other groups throughout the year.

If you can assist the staff on these tours, let Buddy or Gabe know and they will put you on the list.

Capital Salute

The Capital Salute went very well with several different Forts and Sites represented. As most of you are on the website, there are pictures of the event posted on the photos section. Because of limited space this time, we will not be adding any pictures to our newsletter.

Buddy fed everyone, including the Bexar County Buffalo Soldiers kids group this weekend and as usual, it was really good.

The kids that were in attendance were a real good group that were well minded and very interested in what was going on. We look forward to working with them in the future.

This was the opening of our new library. The furniture arrived just in time for the event. We will be helping with the organization and use of the library in the months to come. The *GRAND OPENING* will be in March during our West Texas Heritage Days Event.

More to come on this...

More History of the Fort and the area will be in upcoming editions of the Fort McKavett Gazzette.
