President’s Message...

November began with the sad news of the passing of Friends of Fort McKavett member and supporter Greg Hector. Many of us attended his funeral in Brady. He will be missed after having him around for 30 years at the site.

December marks Buddy’s last month as manager of Fort McKavett State Historic Site. There are a lot of changes about to happen in our THC system and at Fort McKavett. We will keep you informed as we go on these. I have faith in THC to find us good, qualified people to fill these positions.

As we are all gearing up for the Christmas season, everyone keep safe and have a Merry Christmas!

Winter, 1852 Event
This will be a semi-immersion event that showcases "a day in the life of Fort McKavett." Join living historians from all across the U.S. as they go through the daily routine of a frontier post. From the sound of reveille in the morning through tattoo at dusk, the living historians of Co. H, 8th US Infantry will be living the life of a regular stationed at Fort McKavett in December 1852. Drill and fatigue details will be ongoing throughout the day.

Taps for an Old Friend

**Gregory
Timothy
Hector
1946-2014**

We lost a good friend and mentor November 9, 2014 with the passing of Greg Hector. Greg and his wife, Donna, have supported Fort McKavett and our Friends of Fort McKavett for 30 years as an educator, bugler, artilleryman, and volunteer on site.

His funeral was held in Brady on the 15th with the burial services held in Coleman. There were over 200 people in attendance in Brady and almost that many in Coleman. Several people wore their reenacting uniforms to the services and there were cannons and rifle shots at his interment ceremony.

Our thoughts and prayers are with his wife and family at this time. He will be missed by all of us.

Big Changes in Store for Fort McKavett

December marks the end of a 25 ½ year career at Fort McKavett State Historic Site for Site Manager Buddy Garza. The changes he has seen and done himself at the site will live on for years and years to come. We wish him the best of everything in his retirement!

Buddy's Grandmother had given him these two rockers. He had them on the porch of the Hospital at the site for several years and now are on his porch at home. I would be willing to bet we won't be seeing him sitting there very long at a time in his retirement!

We will also be losing Donna Williams the Sites Director of the Texas Historical Commission the first of January. She has been in this position since the transfer to THC of the site from Texas Parks and Wildlife. She has been instrumental in our increased budgets and planning for the site. It has been a joy to work with her over her tenure and we wish her the best of everything in her retirement!

We will keep you informed on the new additions to our Managers position and THC Sites Director position as soon as we hear anything...

Welcome our THC Family Jefferson Spilman Fort Lancaster State Historic Site Manager

Mr. Spilman previously served as site supervisor at the Three Rivers Park District in Shakopee, Minnesota for eight years where he supervised and managed The Landing-Minnesota River Heritage Park (a living history park focused on Minnesota history from 1840–1890). Prior to that he was the chief of interpretation at the Pamplin Historical Park and the National Museum of the Civil War Soldier in Petersburg, Virginia, and he previously worked as an associate curator at the National Museum of the Pacific War in Fredericksburg, Texas.

Also retiring from THC Sites at the first of the year is Dixie Hoover, the Site Manager at the Confederate Reunion Grounds in Mexia. Many of you will remember her time at Fort McKavett as an intern with Texas Parks and Wildlife before becoming the THC Manager at CRG.
